The Winter Wheat Vield.

The Cincinnati Price Current draws the following conclusion from the May report of the Agricultural Bureau. "Applying the ratio which ninety-six a year ago bore to the declared production, the indication for this senson would be about 77,000,000 busineds, and the basis of equal area. The Deligation of the partment's December estimate of area suggested an increase of two per cent, over the preceding year, which has been more than halomesed by abandened area. To what extent the loss of area has entered into circulations centering in official channels as to condition.

tions from the present standpoint, unless be assumed that the conditions tavoring eld will be relatively better the remainder the season than they were last year, or Extra Trains for Unveiling-Day.

In addition to schedule trains Nos. 25, 33, and 78 Northboard, and train Nos. 25, 27, and 30 Southboard, extra passenger are will run as follows on the Itichmond of Petersburg Railroad:

Orders had been issued from Washington by Secretary Stanton not to accept Mosby's parole, but to recognize him only as a prisoner of war. These orders had been duly transmitted to General Gregg, of the Federal army, who, with headquarters at Lynchburg, commanded the district in which it was known that the celebrated Southern contrious ranger was in hiding. which it was known that the celebrated Southern partisan ranger was in hiding. In accordance with these orders, the country for miles around had been secured high and low for the capture of the much wished for prisoner, but without effect; and no wonder. Mosby was not duly perfectly familiar with every blind road and by-path in the neighborhood, but his active and iynx-eved brother, Wille Mosby, who had been one of the most during and adventurous of his callant band, was constantly fin Lynchburg, and on the alert to effect his brother's capture. No sooner, therefore, was a movement to that cad set affoot, than, even before it was fairly under way, Mosby was apprized of it, and was way, Mosby was apprized of it, and was the man who can sit on the porches of Lu-

testify. Why, even an excellent gentleman from Boston, who visited the cave several days ago, in company with the writer of these lines, declared that the half had never been told of the Caverns of Luray, and in a moment of enthusiasm actually whispered moment of enthusiasm actually whispered confidentially to your scribe that even the confidentially to your scribe that even the Hub had nothing quite like Luray's cave.
Thousands of tourists visit Luray every a bottle.
